### **Clothing to pack:**

- 1 pair of long pants
- 1 light-weight, long-sleeved shirt
- 1 wool sweater, fleece pullover, or sweatshirt
- Rain gear (*poncho or coat*)

### **Eating utensils to pack:**

- 1 One-liter plastic bottle of water
- 1 Bowl – plastic or lightweight metal (*bowls are universal, plates are unnecessary*)
- 1 Spoon and 1 fork (*plasticware works nicely. Please no knives!*)
- 1 Plastic mug with a handle

### **Personal items to pack:**

- Flashlight

### **Items supplied by camp:**

- Tents
- First aid supplies
- Food and drink (*snacks, dinner*)
- Cooking Supplies – pots, pans, etc.
- Soap and water for washing

**Please label everything!** Put your name on anything that you can write on. This will greatly cut down on the confusion of campers' equipment and unnecessary loss of personal items.
