CAMPER REFERRAL FORM

Thank you for telling others about The Nature Place!

For an enrolling camper to be considered a referral, that camper must be coming to camp for any length of time during summer 2019, and it must be the new camper's first time attending The Nature Place.

Upon receiving the new camper's enrollment application, The Nature Place will give a tuition credit of \$100 to you, the referring family. If you have already enrolled and paid in full for this coming summer we will send you a check for \$100.
