NEW CAMP FAMILY REFERRAL FORM – SUMMER 2023

Thank you for telling others about The Nature Place!

To be considered 'a referral', the family you're referring must be attending The Nature Place for the first time.

If you're a ***new or current camp family, joining us this summer***, your referral reward will be **\$300 per family** who enrolls based on your referral (plus that family also gets \$100 off their tuition). If you have not yet paid in full for camp this summer, you will receive your reward in the form of a tuition credit. If you have already paid in full, we will send you a check for your reward at summer's end.

If you're a ***friend of The Nature Place, alumni, staff member, etc.***, your referral reward will be **\$200 per family** who enrolls based on your referral (plus that family also gets \$100 off their tuition). We will send you a check for your reward at summer's end.

Please note, you are rewarded per new camp family you refer (not per camper).

Your name:

Your email address:

Are you a new or current camp family who will be joining us this summer? New camper or

family you are referring (feel free to use this space for multiple family's names):
